Rates of Postage and Conditions of Transmission.**LETTERS—(Inland).**

The rates of Postage when prepaid are as follows:—

For a letter not above 1 oz.			1d.
Do.	above 1 oz., but not above 2 oz.		1½d.
Do.	do. 2 oz., do. 4 oz.		2d.
Do.	do. 4 oz., do. 6 oz.		2½d.
Do.	do. 6 oz., do. 8 oz.		3d.
Do.	do. 8 oz., do. 10 oz.		3½d.
Do.	do. 10 oz., do. 12 oz.		4d.

A letter above the weight of 12 oz. is liable to a postage of 1d. for every ounce, *beginning with the first oz.* Thus, a letter weighing between 14 and 15 oz. must be prepaid 1s. 3d.

A letter posted unpaid is chargeable on delivery with double postage; if insufficiently paid with double the deficiency.

No letter may be above 18 inches in length, 9 inches in width, or 6 inches in depth, unless it be sent to or from a Government office.

If the stamps affixed to letters are mutilated or defaced, the letters will be liable to the unpaid rates.

An unobliterated, embossed, or impressed stamp which has been cut from an envelope, card, or wrapper, and affixed to a letter or other packet, renders it liable to be charged at the unpaid letter rate.

Re-directed letters are charged an additional postage for each re-direction, according to the prepaid scale.

All persons sending letters by the post unpaid, which, from any cause whatever, cannot be delivered to the parties to whom they are addressed, are liable to pay the postage charged thereon, which may be recovered, with costs, by summary proceedings before a magistrate.

NEWSPAPERS—(*Inland*).

Inland Newspapers are subject to the following regulations:—

To have the privilege of passing as a newspaper, the publication must first have been accepted as a Newspaper by the Postmaster-General, and have been placed on a register at the General Post-Office, from which it is liable to be removed, either through the non-renewal of the registration fee, 5s., year by year, or in consequence of any change which may deprive it of the characteristics of a Newspaper. Registration for inland circulation includes registration for transmission abroad.

For each inland newspaper, whether posted singly or in a packet, the postage, when prepaid, is one halfpenny; but a packet containing two or more registered newspapers is not chargeable with a higher rate of postage than would be chargeable on a book packet of the same weight, viz., one halfpenny for every 2 oz., or fraction of 2 oz.

A newspaper posted unpaid, or a packet of newspapers posted either unpaid or insufficiently paid, is treated as an unpaid or insufficiently paid book packet of the same weight.

The postage must be prepaid either by an adhesive stamp or by the use of a stamped wrapper.

No Newspaper can be sent through the post a second time for the original postage; for each transmission a fresh postage is required.

Every newspaper must be posted either without a cover, or in a cover entirely open at both ends, so as to admit of easy removal for examination. If this rule be infringed, the newspaper is treated as a letter.

Every newspaper must be so folded as to admit of the title being readily seen.

A newspaper, or a packet of newspapers, which contains any inclosure (except supplements) is charged as a letter; unless the inclosure be such as might be sent at the Book rate of postage, and the entire packet be sufficiently prepaid as a Book Packet, in which case it is allowed to pass.

A newspaper which has any letter, or any communication of the nature of a letter, written in it or upon its cover, will be charged as an unpaid or insufficiently paid letter.

No packet of newspapers may be above 14lbs. in weight, two feet in length, one foot in width, or one in depth.

BOOK AND CIRCULAR POST—(*Inland*).

The Postage is one halfpenny for every 2 oz. or part of that weight.

A packet posted wholly unpaid is charged with double the book postage, and if posted partially prepaid, with double the deficiency.

Every book packet must either have no cover, or a cover entirely open at both ends, so as to admit of the contents being easily withdrawn for examination. It may contain any number of separate books or other publications, prints, or maps, and any quantity of paper, parchment, or vellum, either printed, written, plain, or any mixture of the three; together with whatever is necessary for the safe transmission of literary matter, or usually appertains thereto, to the exclusion of letters or any enclosure sealed or otherwise closed against inspection, or any communication of the nature of a letter written in any such packet, or on its cover. Entries, however, merely

stating who sends the book, &c., or to whom it is given, are not regarded as a letter.

CIRCULARS, *i.e.*, letters which are intended for transmission in identical terms to several persons, and the whole or the greater part of which is printed, engraved, or lithographed, may also be sent by book post.

No book packet may be above 5lbs. in weight, or 18 inches in length, 9 inches in width, and 6 inches in depth, unless it be sent to or from a Government Office.

POST CARDS—(*Inland*).

Official Post Cards impressed with a halfpenny stamp; Reply Post Cards impressed with a halfpenny stamp on each portion of them, and private Cards impressed at the Office of Inland Revenue with halfpenny stamps, are available for transmission between places in the United Kingdom only.

The front (or stamped side) is for the address only in addition to the words printed thereon. There must be nothing else written, printed, or otherwise impressed on it, nor must there be any writing or printing across the stamp. On the reverse side, any communication may be printed or written. Nothing whatever may be attached: nor may the Card be folded, cut, or otherwise altered. If any of these rules be infringed, the Card will be charged 1d. on delivery.

No Card other than one of those issued by the Government, or a private Card impressed with a half-penny stamp by the Inland Revenue Office will pass under a half-penny stamp, if it bear on it a written communication of the nature of a letter.

COLONIAL AND FOREIGN LETTERS, NEWSPAPERS, &c.

For every information as to rates of postage of Colonial and Foreign Letters, &c., see *Post Office Guide*, published quarterly, by command of the Post-master General, price 6d., to be had at all Post-Offices.

PARCELS POST—(*Inland*).

Parcels *not exceeding* 7 lbs. in weight are received at any Post Office for transmission between places in the United Kingdom.

In order that a packet may go by Parcels Post, it must be tendered for transmission as a parcel, and should bear the words "Parcels Post,"—which should be clearly written in the left-hand top corner.

The following are the principal conditions and regulations:—

The size allowed for an Inland Postal Parcel is—

Greatest length	-	-	-	3 ft. 6 in.
Greatest length and girth combined	-	-	-	6 ft. 0 in.

For example—

A parcel measuring 3 ft. 6 in. in its longest dimension may measure as much as 2 ft. 6 in. in girth, *i.e.*, round its thickest part; or—

A shorter parcel may be thicker; thus, if it measure no more than 3 ft. in length, it may measure as much as 3 ft. in girth, *i.e.*, round its thickest part.

The rates of Postage are,—for a Parcel,—

Not exceeding 1 lb. in weight	-	-	-	3d.
Exceeding 1 lb. and not exceeding 3 lbs.	-	-	-	6d.
„ 3 lbs.	„	„	5 lbs.	9d.
„ 5 lbs.	„	„	7 lbs.	1s. 0d.

Parcels must not be posted in a letter box, but must be taken into a Post Office and handed over the counter, and a parcel should not be left until the weight, size, and postage have been tested by the clerk at the counter. Care must be taken that every parcel bears a clear address.

If a parcel be posted in a letter box it is not forwarded by Parcels Post, but is treated as a letter; or if it can pass under Book Post regulations it is treated as a book packet.

Parcels which bear on the outside any writing or drawing of an indecent or offensive nature, or within which any contents of a like nature may be observed, and parcels containing gunpowder, cartridges, lucifer matches or anything explosive or liable to sudden combustion, bladders containing liquid, live animals, grossly offensive or filthy matter, and anything in a condition likely to injure other parcels, or any officer of the Post Office, are prohibited.

If any such parcel be tendered for posting, it is refused, or, if detected in transit, it is detained.

Parcels containing fish, game, meat, eggs, &c., or razors, scissors, needles, knives, forks, or other sharp instruments, are not accepted unless securely packed so as to guard against risk of injury to other parcels. Liquids or semi-liquids, such as jellies, pickles, paint, varnish, &c., are not accepted unless in bottles or cans securely stoppered; nor powders, unless so packed that they cannot escape in transmission. Bottles or glass in any form can be accepted only when so packed as to be secure from breakage. If a parcel be tendered in a damaged or insecure condition, or in a condition likely to injure other parcels or any officer of the Post Office, it is refused. If a parcel in such condition is observed in transit it is, if possible, made secure and sent forward: but, if it cannot be so secured, it is detained.

Parcels known to contain a letter, packet, or parcel intended for delivery at an address other than that borne on the parcel itself are prohibited.

Parcels addressed to a Post Office to be called for, or to a person residing beyond the free postal delivery, are kept three weeks. At the end of one week, if the parcel bears on the outside the sender's name and address, a notice of the fact that the parcel has not been delivered is sent to him.

Parcels addressed to a ship are kept one month.

If, however such a parcel contains perishable matter it is kept only 48 hours; and should it become offensive, it may be disposed of at any time as the Postmaster General may direct.

Parcels addressed to a Post Office "to be called for," and only such parcels, are liable to a demurrage charge at the rate of 1d. a day after they have remained in the Office one clear day, counting as a day the period during which the Office is ordinarily open to the public.

No demurrage is charged on parcels addressed to persons residing outside the limits of the free delivery, or to persons on board ship.

In order to facilitate the return of parcels which cannot be delivered, it is most desirable that the name and address of the sender should appear on the outside of every parcel.

REGISTRATION—(*Inland and Foreign*).

The fee for registering a letter, newspaper, or book-packet, passing by post between any two places in the United Kingdom is twopence.

The fee chargeable for registration to places abroad will be found in the column headed "Registration Fee," in the Table of Colonial and Foreign postage, *Post Office Guide*. To some countries, as shown in that Table, an article can be registered only to the port of arrival: it being left, in those cases, to the postal authorities of the country to which that port belongs to continue the registration or not as they may think proper. To a few countries, as also shown in the Table, there is no arrangement whatever for registration.

No letter or other postal packet addressed to initials or to a fictitious name can be registered; nor can any letter be accepted for registration, unless the enclosure can be securely placed so as not to move about, and be covered by a proper and well fastened envelope.

Registered letters, &c., must be prepaid as regards both postage and registration fee; except official letters for Government Offices in London, Dublin, or Edinburgh, which may be registered on prepayment, in stamps, of the registration fee only.

Every letter to be registered, must be given to an Agent of the Post-Office and a receipt obtained for it, and should on no account be dropped into the letter-box. If, contrary to this rule, a letter marked "Registered" be dropped into the letter-box, it will, *if directed to any place in the United Kingdom* be liable to a registration fee of 8d. instead of the ordinary fee of 2d.

By law the Postmaster General is not responsible for the safe delivery of registered articles, but henceforth he will be prepared to make good the con-

tents of a registered article lost while passing through the Post *to the extent of* £2 in certain cases, provided that the sender duly observed all the conditions of registration; that the article was securely enclosed in a reasonably strong cover; and, if it contained money, that it was enclosed in one of the Registered Letter Envelopes sold by the Post Office; that application was made to the Secretary of the Post Office immediately the loss was discovered; and that the Postmaster General, whose decision shall be final, is satisfied that the loss occurred while the article was in the custody of the British Post Office and was not caused by any fault on the part of the sender.

PARCEL POST TO INDIA, CEYLON, AND THE STRAITS SETTLEMENTS.

The Indian Parcel Post is not connected with the British Post Office; but is an arrangement between the Peninsular and Oriental Steam Navigation Company on the one hand, and the Post Office Departments of India, Ceylon, and the Straits Settlements on the other.

The Company's Circular on the subject is to the following effect:—

THE PENINSULAR AND ORIENTAL STEAM NAVIGATION COMPANY are authorised by the Directors-General of the Post Offices of India, &c., to receive Parcels for delivery at any Post town or district throughout India, Ceylon, and British Burmah, at a uniform rate of 1s. per pound, or fraction of a pound weight, *except for Book Packets. See below.*

To the Straits Settlements (Penang, Singapore, Malacca, and Wellesley) the rate will be 1s. 4d. per lb. or fraction of a lb. on all Parcels, whether containing Books or otherwise.

These charges, which may be either prepaid or paid on delivery, cover the conveyance from London to the address in India, &c. (but do not include Duty, which is levied and payable in India only).

Jewellery, Gold, and Silver ware, Watches or Precious Stones, and other valuables are charged an additional *ad valorem* rate of 1s. on every 5l., or fraction of 5l., which must be prepaid.

Parcels intended for this conveyance must be legibly addressed to their destination in India, &c., marked, "*To be forwarded by Indian Parcel Post,*" and sent either to the *Company's Office, 122 Leadenhall Street, E.C.*, or to the *Branch Office, 25 Cockspur Street, S.W.*, London, by 2 o'clock p.m. at the latest on MONDAYS. If sent by post or other conveyance, the Parcel, with the full Indian address, must have an outer covering addressed to the Company. In all cases a letter of advice must be forwarded to the Company, stating Indian name and address of package, and value and contents, for Custom House clearance; and also distinctly stating whether carriage is to be prepaid or not. Should more than one package be forwarded, a separate advice must be sent for each, and the contents and value of each declared. If prepayment is required, the amount due for carriage, &c., must be enclosed in the letter, payable to Mr. A. M. BETHUNE, Secretary, or when sent to Cockspur Street, to Mr. F. H. FIRTH, Agent. Particular attention is requested to these regulations in order to save any delay in the despatch of Parcels, as none are forwarded until all charges due are received at this Office, whether for carriage, *ad valorem* rate, or Insurance, and the contents and value stated.

Parcels conveyed under these regulations must not exceed 50 pounds in weight, and 2 ft. × 1 ft. × 1 ft. in measurement, nor be more than 50l. value. They should be entirely closed, and any articles liable to suffer from crushing must be in a strong wooden case not less than half inch thick (tin lining optional). Packages not in wood, if measuring one cubic foot and upwards, must have an outer covering of stout canvas.

Senders of Parcels from the Country will receive a receipt for them from the Company in due course, and if required the Company will effect Insurance against Sea and Land risks. The charge for Insurance, *which must in all cases be prepaid*, will be at the rate of 1s. for every 5l. or fraction of 5l. value on each parcel.

Packages of a fragile nature, or containing liquids, or articles of a dangerous or damaging nature, will not be received.

REDUCED RATES FOR BOOKS.—Under the authority of the Director-General of the Post Office of India, the rate for the conveyance of Book packets from London to Aden, India, Ceylon, and British Burmah has been reduced to Sixpence per lb. or fraction of a lb., for which a separate advice must be sent. This reduction does not apply to the Straits Settlements.

If any other article is found enclosed in the Book packet when examined by the Customs at Bombay, an extra rate 2/- per lb. on the packet will be charged to the addressee.

If no Advice accompanies the Package, it will be liable to be charged at the 1/- rate.

If a Receipt is required, a stamped and directed envelope must be enclosed in the Advice.

Remittances from the Country must be by Cheque, Post Office or Postal Order, or Penny Stamps, if the amount does not exceed One Shilling, and they must not be defaced or affixed to the package. Stamps of a higher denomination cannot be received.

* * *No letter must, under any circumstances, be enclosed in these parcels.*

Money Orders do not require a receipt stamp.

Although at the end of twelve months from that in which it was issued, a Money Order, if still unpaid, becomes legally void, nevertheless, when a good reason can be given for the delay in presenting it, an application for payment, subject to a certain deduction, is entertained.

No application can be entertained for compensation for alleged injury from the non-payment of a Money Order at the expected time.

After once paying a Money Order, by whomsoever presented, the Office is not liable to any further claim.

Postal Orders.

Postal Orders, for certain fixed sums from 1s. up to £1, are now issued to the public at all Post-Offices in the United Kingdom at which Money Order business is transacted, and at Malta and Gibraltar.

The following are the amounts for which Postal Orders are issued, together with the Poundage payable in respect of each Order:—

Amount of Order.	Poundage.	Amount of Order.	Poundage.
1s. 0d.....	$\frac{1}{2}$ d.	10s. 0d.....	2d.

5s. 0d.....	1d.	17s. 6d.....	2d.
7s. 6d.....	1d.	20s. 0d.....	2d.

The person to whom a Postal Order is issued must, before parting with it, fill in the name of the person to whom the amount is to be paid, and may

fill in the name of the Money Order Office at which the amount is to be paid. The person so named must, before payment can be made, sign the receipt at the foot of the Order, and must also fill in the name of the Money Order Office, if that has not been already done.

POST-OFFICE SAVINGS BANKS.

These banks are established under the provisions of the Act 24 Vict., cap. 14, intituled, "*An Act to grant additional facilities for depositing small Savings at interest, with the Security of the Government for the due Repayment thereof*," and are open daily during the hours appointed for money order business for the receipt of deposits of one shilling, or any number of shillings, subject, of course, to the limitations of amount prescribed in the Acts previously in force for Savings Banks.

GOVERNMENT INSURANCES AND ANNUITIES.

The Postmaster-General is empowered, under the Act 27 and 28 Vict., cap. 43, to insure the lives of persons of either sex between the ages of 16 and 60 for not less than £20 or more than £100. He is also empowered, under the same Act, to grant immediate or deferred annuities of not more than £50 on the lives of persons of either sex, and of the age of ten years and upwards. The persons whose lives are insured, or to whom annuities are granted by the Postmaster-General, have direct Government security for the payment of the money at the proper time.

Post-Office Telegraphs.**TARIFF (INLAND).**

The charge for Telegrams throughout the United Kingdom is 1s. for the first 20 words, and 3d. for every additional five words or part of five words; the names and addresses of the sender and receiver are not counted.

Telegrams may be repeated at the request of the sender, if he desires to adopt this extra security against risk of error, by being signalled back from each office at which they are received to the office from which they are forwarded. The charge for repetition is one half the ordinary tariff; fractions of threepence being reckoned as twopence.

The cost of a reply not exceeding forty words may be prepaid.

Copies of a Telegram, directed to more than one firm or person in the same free delivery, London excepted, will be delivered separately at an additional charge of threepence per copy.

Numbers expressed in figures are counted as so many words according to the number of figures employed. Fractions are counted in a similar manner, with the exception that one word is added for the bar between numerator and denominator; thus $\frac{1}{2}$ counts as three words.

PORTERAGE.

The sums charged for the transmission of Telegrams cover the costs of delivery by special Foot Messenger within the limits of one mile of the Terminal Telegraph Office, or within the limits of the Town Postal Delivery of that Office, when it is a Head Office, and the Town Postal Delivery extends for more than a mile from it.

When the addressee does not reside within the above described limits, and the sender desires to have his telegram delivered by special Foot Messenger, the charge will be sixpence per double mile or any part thereof. A sum of one shilling per double mile will be charged for the delivery of Telegrams by Cab, Fly, or Horse express.

When the addressee does not reside within the above described limits, and sender does not wish to incur the cost of special delivery, his Telegram may be delivered free of extra charge by the ordinary postal delivery next following on the arrival of his Telegram at the Terminal Telegraph Office.

THE ORIGINAL SOCIETY—ESTABLISHED 1840.

THE GUARANTEE SOCIETY

No. 19 BIRCHIN LANE, CORNHILL, LONDON, E.C.

Empowered by Special Act of Parliament, 5 Victoria—Session 1842.

Suretiship undertaken for the Fidelity of Persons in Situations of Trust, on the yearly payment of a small sum at a stipulated rate per centum.

CAPITAL £100,000 FULLY PAID UP AND INVESTED.

This Society was the first Public Company established in Great Britain to obviate the inconvenience and defects of Suretiship by Private Bondsmen, its Security being adopted by

HER MAJESTY'S GOVERNMENT,

BY

The Bank of England, the Bank of Ireland,
The Council of the Duchy of Cornwall,
The Secretary of State in Council for India,
The Court of Chancery, the Local Government Board,
The Corporation of the City of London,
The Principal Bankers, Railway Companies, Public Companies, and
Commercial Firms in the United Kingdom.

The Society, by Special Act of Parliament, is expressly authorised to give security for persons appointed to any office or employment, or Commission, Civil or Military, in any Public Department, or to any office or employment of Public Trust under the Crown.

PERSONS of the highest character and qualifications frequently decline valuable appointments, either from an unwillingness to place themselves and their friends under so serious an obligation, or the great difficulty of obtaining satisfactory Sureties; but the Institution of this Society removes these difficulties.

The GUARANTEE SOCIETY undertakes, for a small yearly premium, to make good to the employer ANY LOSS BY THE FRAUD OR DISHONESTY of the person employed, according to the amount specified in the bond, and therefore obviates the necessity for Private Sureties, as well as the evils arising therefrom, which often prove as prejudicial to the real interests of the employer as to the person finding the guarantee of Private Friends.

Employers, by the existence of the Society, are assured of the continued solvency of the Surety for the person employed, and the security thus becomes a permanent one.

Friends and Relatives are relieved of the fear of those pecuniary losses to which persons are exposed who become responsible for the acts of others.

All necessary information can be had of the Secretary and Agents.

Rates according to the nature of the Employment on the amount of the Security required.

Security granted on behalf of Receivers and Official Liquidators, under the Court of Chancery, on advantageous terms.

SECRETARY—AUGUSTUS MUZIO.

FORFEITING OF LIFE POLICIES PREVENTED.

WHILE the Non-Forfeitable systems of most of the other British Companies merely provide for the conversion of the lapsed assurance into a Paid-up Policy for a materially reduced amount, the much more **Liberal System** adopted by this Company secures the continuance of the Original Assurance so long as the surrender value of the Policy is sufficient to meet the overdue premiums, and interest thereon at 5 per cent. This plan effectually prevents the lapsing or forfeiting of any valuable policy.

The other Advantages offered in the Life Department are:—

Unsurpassed Security, the Reserves being on an unusually ample scale.
Liberal Participation in Profits, with option of applying Bonuses to make the policy payable during life.
Lowest Scales of Premium. See Tables A2 and B in Prospectus.

Fire Insurances are granted on the most favourable terms. The Fire Reserves bear a remarkably high proportion to the Premium Income, thus affording security of unusual extent.

THE passing of the Employers' Liability Act of 1880, very materially increased the liability of masters to their servants.

Wherever accidents have taken place, the operations of the Act have been carefully watched by all Employers and Trade Organizations. In many cases, large sums have been given to the injured; while in others, much time and money have been spent to no purpose, as different courts have interpreted the Act in various ways.

This Company was promoted in 1881 to regulate the claims of master and servant, and to relieve such employers, as may avail themselves of its services, of the obligations imposed upon them by the Legislature.

By the payment of a small premium, either on the amount of annual wages, or on fixed sums, policies are issued by the Company to cover, viz. :—

I.—Employers' Liability under the Act, and at Common Law, to the extent of three year's wages.

II.—All accidents of occupation to workmen including legal obligations.

III.—Accidents to the public by workmen or plant belonging to Employers.

IV.—Personal accidents of all kinds.
